March 20, 2020

Dear Parents,

First and foremost, I hope this letter finds you and your family well. As we complete our first week of remote learning, I truly commend our students, parents, and staff. We have asked staff to take the magic that occurs in their classrooms each day and replicate it via remote learning without much notice or professional development. We have asked students to learn from home while being separated from friends and teachers. We have asked parents to shoulder considerable responsibility with remote learning while they worry about the financial impact and health concerns caused by this most unfortunate situation. Given these challenges, I commend our entire school community on a job well done and sincerely thank you for your outstanding efforts!

Moving forward, as we continue to monitor the COVID-19 outbreak locally and globally, it has become abundantly clear that we must continue to mitigate the spread of COVID-19 by practicing social distancing. As you know, White Township School is closed through Friday, March 27<sup>th</sup>, but please know there is a strong possibility school will be closed beyond March 27<sup>th</sup>. Should we be directed to close beyond March 27<sup>th</sup>, remote learning will continue as preparation for this possibility has already started and these plans will be communicated to you next week if we are indeed closed beyond March 27<sup>th</sup>.

Regarding remote learning, please continue to check your email daily, and do not hesitate to contact teachers via email with any questions or concerns. As a reminder, our lunch pickup will continue as scheduled. If the main office can be of assistance, please email Mrs. Scott directly at [scott@whitetwpsd.org](mailto:scott@whitetwpsd.org).

As we move forward, please continue practicing social distancing, limiting your interactions with others as much as possible. As mentioned above, I am extremely proud of our school community given these difficult circumstances, and I sincerely thank you for your patience and understanding.

Respectfully,

William Thompson  
Chief School Administrator

PS – Please tell your children Mr. Thompson misses them and says hello!
