

White Township's 2018 Summer Reading Challenge

Dear Parents and Students,

Summer is upon us, giving us all an opportunity to spend time with family and friends, enjoying outdoor activities, or just relaxing with a good book! White Township School would like to invite students to participate in our Summer Reading Challenge. Our goal is to keep students growing as readers over summer vacation. We appreciate family's support as you encourage your child to enjoy wonderful children's books from your local library or from your book collection at home.

Students and families are challenged to read as many books as possible. As your child reads over the summer, we ask that the books read, either together or independently, are recorded on the attached summer reading log. Please include book title, author, number of pages, as well as parent's initials. Students will need to hand in reading logs during the first week of school in September. Each child who participates in the Summer Reading Challenge will be recognized for their efforts in a surprising and fun way this Fall. Stay tuned for more details!

Please feel free to contact me if you have any questions about the program. Have a wonderful summer! Relax and enjoy with a good book!

Regards,
Alison Walsh
