Dear Parents,

We welcome you to White Township's Back to School Night for Grades Five through Eight on **Thursday, September 12<sup>th</sup>**. On this evening, you will have the opportunity to meet your child's teachers where they will provide an overview of the curriculum, procedures, resources, and expectations regarding their respective programs. Additionally, I will provide a general overview of our School's initiatives, and address expectations and procedures from a building perspective.

Please remember that Back to School Night is for parents to visit and learn about their child's overall program. If you have specific questions concerning your child, please arrange for a private conference with the teacher at another time.

The framework for the schedule on Back to School Night is outlined below:

- |                  |   |
|------------------|---|
| <b>6:00-6:20</b> | Welcome with William Thompson – Gym   |

We recognize the above schedule may not provide you with an opportunity to see all of your child's teachers including specials, so please do not hesitate to reach out if you still have questions regarding your child's educational program following this evening. We look forward to seeing you on this most important night and to working with you to maximize your child's potential in the 2019-2020 school year.
