William Thompson
Chief School Administrator

Dawn Huff
Business Administrator

July 2020

Dear Parents of Sixth Grade Students,

This letter is to inform you that the school needs a copy of your child's Meningitis and Tetanus Booster (Tdap) immunizations by the beginning of next school year.

As of September 2008, sixth grade students in public and private schools are required by the State of New Jersey to receive two additional vaccines:

- Tetanus-diphtheria-pertussis vaccine (Tdap)
- Meningococcal vaccine.

Students **will be excluded from school** if they do not get the required vaccines and do not have a valid medical or religious exemption.

If the school does not receive either a copy of these new immunizations or a Physician's appointment card by September 2, 2020, I will have to inform Mr. Thompson and your child will be excluded from school until he/she is immunized, as per the State of New Jersey.

If your child has had these immunizations, please send in an updated copy of these immunizations to me for your child's medical file. If this has already been done, thank you, and you may disregard this notice.

Thank you in advance for your time and cooperation in this important matter. If you have any questions, please do not hesitate to give me a call.

Sincerely,

Justine Mahon
