

Cyberbullying and Internet Safety Presentation for Parents and the Community

Please Join Us!

Tuesday October 2, 2018 @ 7 PM

In the gym at

White Township Consolidated School

565 Route 519, Belvidere, NJ 07840

Detective Brian Kearns, a 14 year veteran of the New Jersey State Police, currently serving on the Cyber Threat Intelligence Unit, is offering a presentation to parents and the community on topics including Cyberbullying, Protecting your children online, and how to be smarter than your kids smart phone. Detective Kearns is a frequent presenter on internet safety in NJ. His content has been delivered to many schools in the area. He has served on the Cybercrimes Unit, the Electronic Surveillance Unit, Missing Persons Unit and the Digital Technology Investigations Unit.

White Township parents, please be aware that during the school day on October 2, 2018, Detective Kearns will be presenting an age appropriate assembly on cyberbullying to students in the 5th – 8th grades.
