Dear Parents and Guardians,

Hello!

I would like to introduce our Eagle Award, a character education extension activity that all students can achieve here at White Township. Each White Township student from Kindergarten through Eighth grade has the opportunity to earn an Eagle Award in each of the six pillars of Character. The pillars include: Responsibility, Respect, Caring, Citizenship, Trustworthiness, and Fairness.

Each student will be awarded when they extend themselves beyond the classroom by exploring our character education pillars. To facilitate this exploration, we have created a packet of choice driven Character Education activities. Each student can choose to complete any of the 6 topics available to earn an Eagle Award for each topic. Once the Pillar of Character is introduced at school, each packet can be accessed, viewed and printed from our website. We will offer students in grades K-4 a packet to take home in homeroom. You can also access all the packets from home on our website by clicking on the link for Character Education and scrolling to each Pillar description.

These activities are not required, but are encouraged to enhance each student's personal journey through developing a deeper understanding of the pillars of character. It also gives each family a chance to discuss character at home by extending learning beyond the classroom. Each student who completes the character education activities will be rewarded and acknowledged for their efforts. Students who complete all 6 extension packets by the end of May, 2019 will be provided a celebration.

Please take a few moments to explore our website and information about our character education Eagle Awards. This is an exciting addition to deepening our character education understanding. We hope you and your children benefit from it!

Sincerely,
White Township Character Committee
