Dear New Student,

Welcome to White Township School and the 2018-2019 school year. I would officially like to invite you to our "New Student Orientation" being held on Tuesday, August 28th from 9:00-10:00 a.m. in the gym. The objective of this orientation is to familiarize you with White Township School, to reduce any anxiety you may be experiencing, and to help make your transition to a new school a successful one.

During the orientation on August 28th, I will provide an overview of our school and its programs. You will have an opportunity to meet other new students to our school, and will be given a tour of the building. By the end of our orientation, you will know where to report on the first day of school, September 4th, where key areas are located within the building, and have a general understanding of our school's programs and expectations.

Parents are welcome to attend this brief orientation. I look forward to seeing you on August 28th, and I am extremely confident White Township School will provide you with a challenging academic program while fostering appropriate relationships amongst your peers. Please do not hesitate to contact me if you have any questions, and I am very much so looking forward to meeting you!

Sincerely,

William Thompson
