

Painting Supplies Needed for Project Positivity!!!

The PTO will be sponsoring Project Positivity beginning in March. We will be working with parent & school staff volunteers to paint positive messages in the school bathrooms & hallways.

We are looking for donations of painting supplies to help support this project. Please check your garages and basements! **ALL paints must be in new, or slightly used condition. Please check paint before dropping off and do not send old, clumpy paint or nearly empty cans.**

We are looking for the following supplies:

- Quart-sized or color sample size paint in any color (wall paint)
- Gallon-sized paint in primary colors only such as red, blue, yellow (wall/ceiling paint)
- Acrylic craft paints in any color
- Brushes any size, foam brushes, small rollers, sponges (Used or New)
- Drop cloths, painter's tape, painting trays
- Small plastic containers or clean coffee cans
- Stencils that can be re-used – flowers, hearts, ABC letters, positive messages, sports-related, animals
- Any other supplies that you think would be helpful

Supplies can be dropped off at the office 3/04 - 3/13.

Volunteers will be needed for painting. Our first scheduled painting night is 3/20 6p-9p. You can come to help for all or part of the time. More dates will be hosted at varying times and days of the week. More information to come!

If you have any questions, or want to volunteer, please contact Michelle Nusser-Meany @347-622-2767 or michelleinwt@gmail.com.
