Dear Parents,

You are receiving this letter because our records indicate you have selected virtual learning for your child(ren) for the month of September. If you believe you have received this letter in error, please contact the main office at your earliest convenience.

As we continue to prepare for the 1st day of school, we want to make sure your child has the necessary supplies for Tuesday, September 8th. As a result, you are invited to pick up your child(ren)'s books for the 20-21 school year this Thursday, September 3rd between the hours of 8:00 a.m. and 4:00 p.m. You do not need to make an appointment for pick up. Please go to the main office, ring the buzzer, and either Mrs. Cavitch or Mrs. Scott will give you your child(ren)'s books for the upcoming school year. If you requested technology on the Google form where you selected virtual learning, then we will give you a Chromebook at this time as well.

If you cannot pick up supplies on September 3rd, then please pick up at your earliest convenience after this date. The main office will be open on Friday, September 4th from 8:00 a.m. to 2:00 p.m. and will resume normal hours following Labor Day. Please note, your child(ren)'s teachers may need to arrange for the pick up and drop off of materials and supplies once the school year gets underway, and if this is the case your child(ren)'s teachers will communicate this information to you directly.

As a reminder, you may switch from virtual learning to in-person learning at the end of each month. More information detailing this process will be shared with you towards the end of September. Thank you for your ongoing flexibility and support as we continue to navigate new territory.

Sincerely,

William Thompson
