

WHITE TWP PTO \$4\$ ORDER FORM

This is a great program that costs you **nothing!** Purchase Shoprite and Kohl's gift cards to use while shopping! Kohl's cards can be used to pay your bill in-store, so you can still earn Kohl's Cash and use their charge card only offers. Each gift card is sold at face value. The PTO gets a discount when purchasing them from the store, so the fundraising comes from the retailer- not you! There are also great incentives such as \$5 in PTO Bucks for each of your students for every \$1500 spent or preferred concert or graduation seating for immediate family members (number given may vary depending on class size). You also earn 1 entry per \$1000 spent into a raffle for 1 of 2 \$50 gift cards!
