

2024 Summer Reading Challenge

Dear Parents/Guardians,

As our school year comes to a close, we all look forward to summer, a time that affords us a chance to relax and have fun with family and friends. In addition, summer is a great opportunity to encourage your child to explore great books. Our WTS students are encouraged to share the love of reading with their family! Your child may enjoy being read to, or they may wish to read on their own. No matter the choice, books will take our children to places near and far, without ever leaving home. Summer reading is the perfect vacation destination for everyone!

At White Township School, literacy is a priority at every grade level. We enlist our families help to ensure our children are reading over the summer. WTS invites students to challenge themselves as readers throughout the summer. With the help of our teachers, we have compiled suggested reading lists by grade level. Local libraries are also excellent resources for recommended books. As your child reads, record books on the 2023 summer reading log posted on our website. Remember to turn in your summer reading log in September so that we may recognize your child's efforts in the fall.

Your support and encouragement contributes to your child's love of reading and is much appreciated!

Find "Just Right Books" with the FIVE FINGER RULE!

Choose a book and read the first page or two. Put one finger up for every word you don't know. If five of your fingers go up while reading, choose another book. If only two or three fingers go up, you've found a "just right" book.

Your greatest resource is
The Warren County Public Library
<https://www.warrenlib.org/>

Use the app to search and request a book, download ebooks or audiobooks
Tumble Books, Capstone ebooks,
It's free!

Check out the selections on our
Early Reader Chapter Books Padlet
